Draft Terms of Reference (TOR)
Uttarakhand Public Financial Management Strengthening (UkPFMS) Project

Consultancy service for Financial Management Support to Urban Local Bodies for providing human resources in field of accounting with expertise in training and accounting software for preparation of Opening Balance Sheet (OBS), preparing maintaining and updating of accounts for three years including preparation of annual financial statements as defined in UMAM -21, training and handholding support and support in implementing Municipal Accounting Software (MAS)

Background

1. The Urban Local Bodies (ULB) in Uttarakhand (Uk) are 100 in numbers. The long-term vision of the government is to improve the revenue potential of the ULBs, enhance accountability and transparency, and reform the ULBs to make them sustainable. The state is looking at two reform areas in the near future: strengthening property tax system to improve efficiency and transparency in collection and mobilization of resources and enhancing financial accountability and transparency.
2. Directorate of Urban Department (UDD) is embarking on many reforms which are listed below:
 - b. Implementing new Uttarakhand Municipal Accounting Manual 2021 (UMAM)
 - c. Implementation of GIS for ULBs
 - d. Implementation of computerized revenue management for all ULBs
 - e. Implementation of computerized accounting and other modules for all ULBs.
 - f. Revision of Acts and Rules
3. UDD ultimate aim is to computerize and digitize all the ULBs and bring them on an online platform so that all financial records and revenue records are available for better decision making. Gradually this will also help the ULBs to focus on improving their revenue efficiency, improving their accounts and transparency, and provide faster service to the public.
4. Accounting and financial management reforms plays a big part in the above said reforms. The UDD is leading this reform with guidance from the Secretary of the Department. The Finance Officer is leading the accounting and financial management reforms. All ULBs in the state accounts are going to follow Accrual-based Double Entry Accounting System as per the new UMAM 2021 and a Municipal Accounting Software (MAS) covering all key

accounting modules are going to be implemented in each ULB.

5. **UDD will hire CA Firms for Revision/Updating of Financial Statements of FY 2020-21 on the basis of new approved Uttarakhand Municipal Accounting Manual, 2021 which is based on Accrual Based Double Entry Accounting System of Urban Local Bodies (ULBs). The CA Firms will be required to prepare the Opening Balance Sheet (OBS) as on 1st April 2021, Data Preparation for migration into Municipal Accounting Software (MAS) as on 1st April 2021, prepare the accounts and finalize the financial statement for FY - 2021-22, FY 2022-23, and FY- 2023-24 as per UMAM in MAS and provide Training/Handholding of MAS to (ULBs) Staff.**
6. GoUk has received a loan to fund the Uttarakhand Public Financial Management Strengthening Project (UkPFMS) and intends to apply a part of the loan proceeds for this assignment.

Objective of the Assignment

7. The objective of this assignment is to implement UMAM and MAS in all ULBs and bring their accounts online without backlog.
8. The CA firm is expected to update/prepare AFS of FY 2020-21 for the Opening Balance sheet as on 1st April 2021 as per UMAM, preparing and maintaining accounts/AFS for next three years in MAS including, transfer all balances to the MAS, support ULBs in accounting in MAS, provide training and handholding to ULB staff and ensure that yearly accounts are generated from MAS by the ULBs.

Detailed Scope of the Assignment

9. The Scope of Work is broadly defined as under and includes but not limited to:
 - a. Assist ULB in managing the transition to accrual based double entry accounting system as per provisions of UMAM which includes:
 - i. Preparation of AFS for FY 2020-21 for Updating/migrating Opening Balance Sheet as on 1st April 2021, including Fixed Asset Inventory, and reconciliation of Debtors.
 - ii. Preparing and Maintaining accounts for three years FY 2021-22 FY 2022-23 and FY 2023-24 in MAS including preparation of Balance Sheet and AFS as on 1st April 2021.
 - iii. Assist ULBs in implementation of MAS by entering opening balances as

well support them in entering daily transactions entry.

- iv. Provide capacity building through training and hand holding to ensure sustaining the new accounting system.
- v. Provide assistance over a period of 3 accounting years (2021-22 and 2022-23, 2023-24) to the ULB in preparation of accounts registers as prescribed in UMAM-2021 and finally generation of AFS
- vi. Provide assistance to the ULB in planning, preparing and monitoring the budget.

Assist ULB in managing the transition:

10. ULBs in Uttarakhand are at various stages of reforms. Most of the ULBs are following single entry-based books which is given to a CA firm to be converted to double entry based books. Some of the ULBs have updated balance sheets while some of the ULBs have backlog. Some of these ULBs did get the Opening balance sheet prepared in 2011-12 and have been following up with the accounts. However, most of the account's and records are not in ideal shape as there are apparent gaps in the yearly accounts produced by the ULBs. The first step is for the CA firm to assess the ULBs assigned understand the current status of the books and records and develop a plan for transition. A broad assessment is available with the UDD which will be shared with the firms. The firm is required to prepare a plan to assist the ULB in managing the transition to double entry accounting system as per provisions of UMAM.

11. After selection of CA firms UDD/ULBs will provide following documents to CA firms. Firm will study the documents/records maintained by ULBs to understand the present process followed for accounting.

- a. Uttarakhand Municipal Accounting Manual (UMAM) 2021
- b. Existing manual system of maintaining Books and Accounts and Operational/other Records maintained by ULBs.
- c. Financial statement prepared by ULB mainly by conversion of Cash Basis Accounting to ABDEAS.
- d. Statutory Rules and Regulation applicable for maintaining Books and Accounts and other records.

12. After conducting above detailed studies CA firm will develop the Work Plan Report of each ULB.

Output: Work Plan Report providing ULB wise current status and the approach of the firm with a detailed time line of each ULBs separately

Prepare AFS of FY 2020-21 for updating/migrating Opening Balance sheet as on 1-April-

2021:

13. The task will include updating Opening Balance Sheet, working out all balances as required for the proper creation of accounts. It will include all assets and liabilities required or the opening balance sheet. Consultant is required to work with ULB and prepare the opening balance sheet as on 01.04.2021 which can be entered in the accounting system. The consultant is required to work on this aspect in the first three months of the assignment. The consultant is required to prepare formats for data collection, with all required fields. The consultant will be required to prepare the Opening Balance Sheet and ensure the following are done:
- a. Fixed assets: Consider the values assigned to the fixed assets following the guidelines on the valuation of fixed assets as per UMAM as well look at the original cost of asset and the related depreciation. In case original cost is not available work out strategies for assessment of value.
 - b. Assessment of Capital Work in Progress and Contingent Liabilities;
 - c. Property tax reconciliation of party accounts and balance sheet
 - d. Reconciliation of amounts receivables/recoverable and amounts payable to supplier, contractors, employees (excluding actuarial valuation of terminal liabilities) etc. and obtaining confirmation of balances;
 - e. Assist in updating stock registers and arriving at stock balance
 - f. Reconciling the investments in fixed deposits, shares, etc. and determine the amount of accrued interest. Obtain balance confirmation from institutions holding deposits on behalf of ULB.
 - g. Listing of long-term liabilities, and loans taken by the ULB
 - h. Identify pre-paid expenses, outstanding expenses, outstanding income and any income which is received in advance;
 - i. Identification of any grant/deposits received for specific projects, and the work done till date; pending balance if any.
 - j. Verify Bank Accounts of ULBs on the basis of regular Bank reconciliation statements

- and balance confirmation certificate received from Banks for period end balance.
- k. Review and, where required, assist in reconciliation of bank accounts as on 31st March 2021
 - l. Updating the Balance Sheet and supporting schedules;
 - m. To pass opening entries as on 1st April to bring the balances into Books of Accounts;
 - n. Provide a management analysis report on the methodology followed in updating the opening balance sheet with comments, observation, and limitations, if any;
 - o. Check and include TDS, Income Tax, Works Tax, GST State/Central, Employees Provident Fund and GPF etc. in the accounts.
 - p. Matching/Reconciliation of total outstanding balances of all types of subsidiary ledgers with balance appearing in Control Accounts maintained for each subsidiary ledgers in General Ledger.
 - q. Accounting of Loans given to employee including of recovery of loans and interest as per terms of sanction of loan.
 - r. Municipal and Special Funds are to be verified on the basis of Government Orders issued for sanction/release of grants and closing balance of each fund is to be presented on the basis of Opening Balance plus grant received minus utilization of funds.
 - s. To examine Hire Purchase/Lease Agreements/PPP agreements for correct recording of accounting related to Assets, Liability, Income and Expenditure arising from these agreements.
 - t. Preparation/accounting of Subsidiary Ledgers for Contractors, Suppliers, Staff, other agency/institutions and Receivables
 - u. Preparation of Balance Confirmation Certificate for Debtors, Creditors, Advances and Receivables etc. and accordingly ULBs will arrange dispatch/emails to the concerned parties for confirmation.
 - v. Any other work related to the updating of the Opening Balance Sheet.

14. Revision/Updating of the Financial Statements of FY 2020-21 in accordance with Uttarakhand Municipal Accounting Manual 2021 and Chart of Accounts (COA):

After review, reconciliation and verification of books & accounts and financial statement, any left out assets and liabilities of earlier years to be accounted for in FY 2020-21 for considering the same in OBS as on 1st April 2021.

15. Output: Prepare the opening balance sheet and trial balance for the ULB

Updating records of Fixed Asset/ Inventory as on 1st April 2021

16. The consultant will be required to update fixed asset/ inventory and valuation in accordance with guidelines given in UMAM 2021. The assignment will be supported by the corporation staff with the responsibility of providing a list of all fixed assets as per records. This would need to be further updated, reconciled, and valued by the external consultants. Key activities in this component will include:

- a. Validation and verification of records to check correctness of valuation of all fixed assets owned by the ULB. This would include own and leased assets, e.g., land (freehold, leasehold, encroached); parks; gardens; road islands; roads (including bridges, culverts, pedestrian pathways, subways); buildings (office, markets, crematoriums, hospitals, dispensaries, etc.); service delivery assets (drains, water pipelines, sewer pipelines); equipment (including those at offices, at sports center, at treatment plants, at hospitals, at libraries, etc.); plant (water treatment plant, sewer treatment plants, etc.); vehicles (heavy vehicles and light vehicles); furniture (at office, on roads, at parks, at hospitals, etc.); and any other fixed and tangible assets owned by way of any title by the ULB.
- b. Accounting for Capital Works in Progress
- c. Review of existing fixed asset inventory record and past financial year transactions to segregate capital items and identify likely heads of account for the Balance Sheet;
- d. Identification of assets based on registers, records, books of account, etc. This should include capital works in progress and will be carried out using prescribed forms and formats;
- e. Check correctness of Valuation of assets before they are incorporated in Books of Accounts. Incorporate valuation in the books (wherever required).The valuation would be based on guidelines given in applicable Municipal Accounting Manual, including derivation of original cost from past records, use of standard rates, etc. The consultant will be primary responsible for determination of rates and valuation, ensuring that they meet the requirement of accounting prudence, materiality and disclosure and are in compliance with valuation guidelines given in the manual.
- f. Physical verification of the Title Deeds/other related documents wherever available

with ULBs for freehold and leasehold assets and reconciliation with assets recorded in Books and Accounts. Any difference arising after reconciliation assets and depreciation to be accounted for in FY 2020-21. Assets classification for freehold, leasehold and other category to be done in Financial Statements accordingly.

- g. Updating of asset register(s) – details of the ULB capital assets shall have to be included in the various asset registers, as applicable. All asset details and valuations will be documented and compiled with necessary valuation will be placed for approved by the Municipal Council;
- h. Support the ULB to update the asset register on a continuous basis in the MAS
- i. Accounting/Updating/Preparing the Fixed Assets Register/documents for each class and category of assets in such manner that it will include Gross value of assets, accumulated depreciation, assets class leasehold /freehold, quantitative details, assets identification number, land area ,location, date of purchase, useful life of the assets and Fixed Assets schedule so that after data migration into Municipal Accounting Software (MAS), system will auto prepare fixed assets register and depreciation chart and auto accounting for each class and category of assets.
- j. Preparation/Accounting of Capital Works in Progress Register including type/location of assets for contracts under execution stage.

17. Output: Fixed Asset register /Inventory of the ULB

18. Updating and reconciliation of Property taxes

- a. The ULBs are implementing a computerized revenue management module in which all property taxes records are being transferred from the manual accounts. The consultant is required to review the records in the system and manual and reconcile them.
- b. The consultant needs to review and reconcile records for FY 2020-21, which has been migrated into the system and ensure that all PT records either in old manual records or software is migrated into the new system and the demand and arrears are correctly reflected in the new system. The demand for FY 21-22 should be generated from the system and payments should be accounted in the system. The system should be made online.

19. Output: Property taxes party wise accounts reconciliation for the ULB with PT registers.

20. Assist ULBs in implementation of MAS

- a. ULB will be implementing MAS which cover all key functions of the accounting systems including General Ledger (GL), Fixed Assets, works accounting and other key modules like Revenue Management, Payroll, and Inventory Management etc. The consultant is required to support the ULB in entering the opening balances.
- b. Assist them in maintaining records on a daily basis. Software developer will provide training for accounting into MAS to CA and firms staff assigned to ULB along with ULB staff accordingly CA firm will take lead role for training to ULBs employees. The consultant is required to support the ULB in implementing all the MAS modules provided by the department.
- c. The firm is required to setup the Chart of Accounts for the ULB in the MAS as per UMAM 2021 and enter the OBS in the MAS. The firm is required to prepare Accounting Data, for migration into MAS, relating to OBS/Trial Balance/Ledgers/Subsidiary ledgers etc., as per data templates/data requirement provided by software developer/UDD
- d. To prepare Financial Statements of FY 2021-22, FY 2022-23 and FY 2023-24 and to complete all accounting work in MAS.
- e. Provide on the job training to ULB staff and hand holding of accounting function to ULBs employees so that ULB can take up MAS accounting function independently.
- f. The consultant is required to ensure that all transactions done during the year (FY 2021-22, FY 2022-23, and FY 2023-24) is entered in MAS as per UMAM and the accounting records is up to date. The final accounts for the year should be prepared from the software.

21. Consultant is required to support the ULB in monitoring the budget

22. Output: Annual Financial Statements for FY 21-22 and FY 2022-23 and FY 2023-24 prepared from MAS.

Capacity building of ULB

23. The consultant is required to provide training on continuous basis to the ULB staff. This will include on the job training on MAS software and handholding support up to

preparation of AFS till March 2024. The training should cover all aspects of general accounting, ULB specific accounting as per UMAM, and accounting and producing reports in the MAS

- a. At least one class room session every quarter of at least 05 days each on MAS, UMAM, DEBAS,PFMS, Audit and on the job training on MAS
- b. The training can be conducted at a place convenient for the staff of ULBs for year 1 and from year 2 days may be reduced to three days on the basis of decision by UDD ,
- c. The consultant should ensure training centre has sufficient computers so trainees have computers to have hands on MAS other IT Platforms
- d. The batch size should not exceed 15 .In case of trainees are more the firm shall train in batches.
- e. ULBs can request a separate training exclusively for their staff on the approval of Nodal officer of UDD , but not more than 02 in a year
- f. On Job Training will include Training on MAS, PFMS as well as IFMS as complete package. It will be continuous process with account staff as well as will help other staff of municipalities to develop

24. Provide hand holding assistance over a period of two years to the ULB.

25. The consultant is required to provide handholding assistance to the ULB for three accounting years, FY 21-22, FY 22-23, and FY 23-24. The consultant is expected to prepare the year-end financial statements, carry out handholding exercise and provide necessary professional help for sustaining the introduction of the accrual-based Double Entry Accounting System.

26. Output: Financial Statements for FY 21-22,FY 22-23, and FY 23-24 prepared from MAS as well as accounts are maintained in MAS
