Consultants for Project Management Unit (PMU)

Urban Development Directorate, Uttarakhand, Dehradun

Background

1. GOUK is embarking on an ambitious program of creating a PMU at UDD state level which will cover all the ULBs in the state and intends to hire individual consultant for this purpose. The **Project Management Unit (PMU)** for planning, implementation and monitoring, including general day-to-day support for all activities for implementation of e-governance in urban local bodies of Uttarkahnd.
2. The Government of Uttarakhand (GoUk) has applied for a loan to fund the Uttarakhand Public Financial Management Strengthening Project (UkPFMS) and intends to apply a part of the loan proceeds for this assignment. The long-term vision of the government is to improve the service delivery of the ULBs by matching decision making with data, enhance accountability and transparency, and reform the ULBs to make them sustainable. These reforms will need to be spearheaded and managed centrally at the level of the Urban Development Directorate UDD with support from experts in these areas
3. UDD has taken up an ambitious project as part of National Urban Stack rollout to drive e-governance across Urban Local Bodies in the state. Under this project UDD has adopted DIGIT platform. DIGIT is built as a collection services and is designed so that it is easy for other actors to build on top of it. Each service efficiently provides a single capability across multiple governance areas, accessible through using simple, open APIs compatible with global standards. In addition, it provides a set of open standards and specifications that enable the ecosystem players to innovate on the stack. Together, these services and standards create a powerful framework to drive convergence and a faster implementation cycle for any governance initiative.

4 . Objective of Project Management Unit (PMU):

The PMU will support the UDD in conceptualizing, planning, guiding and managing the reforms

undertaken by the Department. The PMU shall be headed by a Project Manager with four (4) experts viz.,

- Program Manager (Implementation)
- Program Manager (Technology)
